## DIRECTOR'S CORNER

BY KAREN JONES

It's GO time!! The countdown is on as we prepare for the first day of school! We are keeping a watchful eye on the guidance and COVID policies that directly affect child care as it relates to the Delta Variant. We have seen an uptick in exposure these last few weeks. We will continue to be vigilant with our practices and will be adding a professional cleaning service to our nightly regime. Please keep in mind students aged 2 and up will wear mask at school. The exceptions are: nap, lunch and outside time.

We want to thank you tremendously for the referrals and recommendations about Nana's Place. At this time we have an extensive wait list. We will NOT be accepting any new students for the 21-22 school year in our 1 and 2 year old classes. Please also remember we are no longer accepting infants. There are limited spaces available in our 2.5-3.5 year old classroom. Those spaces will be filled from our wait list first.
